To all the family, I send my deepest condolences, and I can't even say how shocked and saddened I was to hear this news. Cheryl has been one of my best friends for many years, and even though we were far apart, we were in regular contact. I wish I could be there on Monday, and will try, but if not possible, I will have a Mass said here for Cheryl. A concerned wife, a loving mother, a caring friend, she will be deeply missed.
