### **Tribute from Fran Wittner/Kotscherofski**

Relation: Amazing friend

Dave and Sharon were amazing friends to me and my husband when we first married. Dave mentored my husband, gave him motivation and confidence but more than that, Dave and Sharon included us in so many fun times. It has been years and many moves since we have communicated but it does not lessen the loss I feel today. My heart goes out to Sharon who has lost her soul mate of so many years. So sad. Big hugs Sharon.
