Relation: Friend from Blue Mountain Elem.

My deepest condolences to the Reid family. I knew Ron when we were in elementary school. Just recently reunited through FB. Seemed he loved life and fish! My daughter has a beta fish, so we talked alot about them. I have a super sharp memory of when Ron was learning to tap dance and showed us at show-and-tell in school. I remember the teacher shaking her head at the marks he left in the floor. We all thought he was going to get in trouble from the janitor!

Ron was a guy that never judged anyone. He thought of us all as equals. Ill never forget the first nor last time i talked to him. His family meant the most to me when i was alone, thats because they brought be in and taught me things i never knew was possibl because of him. Ron was one that

always knew when to crack a joke or make it serious. Was one that everyone he knew was friends with his friends. Best man i know. Miss you ron. I Will always cherrish the time we were roomates/ best buds
