Tribute from Brenda Jean McDaniel

Relation: Met her many years ago at Rose Hill

I was so shocked when Sharon told me about Tracy! I am so sorry for her family and friends. She was so loving and giving of herself, the cost didn't matter, the smile was her reward. So let us all smile up to the sky and let her know her gift of love is still shining brightly! We're better because she touched our hearts so deeply that we will continue to feel her touch!
