Dear Boleac Family,

I was very shocked and sad to hear of Dan's passing. I feel as though a part of me is gone. I have so many great memories of Dan. When we were all young, we played 'Kick-the-Can' and 'Hide and Seek' on many summer nights. When we were teenagers, we laughed when Dan took old tires home from the garage he worked at, and did monster burnouts at Memorial Park. But I think what I'll remember most of Dan is his gentle nature (despite his legendary strength), the twinkle in his eye, and how easily he laughed. He will be missed by many. You are in my thoughts and prayers.

P.S. Thanks for the great music set to Dan's life in pictures and for including the picture of Mary, Lude, Dan (in a philosophical pose), Wilfred, Ingrid, and me, and of course the butterfly taken on the Boleac back porch - it's a classic! We had it framed years ago and now I'll appreciate it more than ever.

Love, Gerhard (Gillie) Neufeld
