Tribute from Bakerview Community Crematorium & Celebration Centre Staff

Bakerview Community Crematorium & Celebration Centre Staff send our condolences to family and friends.

Tribute from Jeannette Finch

Relation: Granddaughter

My Grandmother was truly one of the best women I have ever known. She was a great lady and taught all of us the importance of family. I miss you Grandma.

Tribute from Shirley Marcoux

Relation: Friend

Please accept my sincerest condolence. Your mother was such a lovely lady. Might I add, a lady in every sense of the word. The world would be a better place if there were more like her.

Tribute from Ken Firkins

Relation: Childhood friend of Adrienne and Sandra

It was with sadness that I read of your mothers passing. Please accept our condolences and know that our thoughts are with you at this time.

Sincerely,

Ken and Amber Firkins

Tribute from Jane Gosselin

Relation: Friend and workmate.

When the Library was in the building the Museum is now, Marion hired me to work there with her and Dorothy Hughes. She was the best Librarian ever with her people skills and ability to match people with books they wanted or needed. She saved books for patrons as she remembered their reading preferences. She made a difference. I shall always be grateful for having known her and her family.

Tribute from Gordon Catherwood

Relation: Marion was a friend of my mother

Our condolences to Marion's family, friends and neighbours. Marion was a long-time friend of my mother Allison Cox (previously Allison Catherwood and maiden name Allison Bligh). My mother also passed away 4 years ago in her 96th year.
