My deepest condolences to Paulina's family.

I have had the pleasure of working with her for many years as a foster parent and she had impacted my life in a way where I looked forward to her visits her stories and experiences. Her insight to this difficult job that we do was much appreciated. She was a kind and thoughtful women that was sincere and only wanted the best for people. Her big heart often shared about her loved ones her children and family. I will miss her like many of us will. God bless and bring peace to heart...sincerely joy coates

### **Tribute from Julie Skoda**

Relation: co-worker

I worked in the same office as Paulina for five years and was impressed with her dedication to the field of social work. She was a wonderful advocate for the needs of children and families. She is greatly missed and her passing is a huge loss to our organization. She of course also loved her own family very much and this showed every day in the way she spoke of her own children and her spouse. Peace be with you, dear Paulina.
