

REMEMBERING
Sylvia Rollins

June 17, 1950 - May 19, 2015

Sylvia Rollins AKA www.youtube.com/user/ImOfTheWoods passed away suddenly on May 19, 2015. She is survived by her loving husband, daughter, grand children, mother, sister and many other family members. She loved Mission and its people, and Mission and its people loved her. Much of her time was spent with her many friends at "Serenata Singers", "Jed's Jam", "Mission Toastmasters", "Mission Yoga & Pilates". Now her ashes are spread at the lookout near Mission's Westminster Abbey. The lookout is about a 10-15 minute walk along a path leading from the Abbey. It travels through a beautiful forest and ends with a spectacular view of the Fraser river and Fraser Valley. This resting place is definitely "ImOfTheWoods" approved. Her family greatly appreciated all of the many helpful professionals, that have mastered the art of being 100% professional, in combination with showing just the right amount of sincere compassion, that work for the following organizations: Hurd Street Medical Clinic, Mission Memorial Hospital, Abbotsford Regional Hospital, Mission Mental Health Centre, Mission RCMP, Mission Fire Department, BC Ambulance Service, Bakerview Crematorium, Taylor, Tait, Ruley & Company.
